“Life is 10% what happens to us and 90% how we respond to it.”

So much of what happens in our lives and our experiences depends on our attitudes. Are your attitudes those that will help you to find joy and live a productive life for the Lord? Or are your attitudes hindering what you could be? The good thing is that attitudes CAN CHANGE!

We hope you will join us each Wednesday this summer to learn and grow from the teaching of God’s word and be challenged to examine your attitudes and see if they are ones that help or ones that hinder.

Theme:

“Attitudes That Help and Attitudes That Hinder”

There will be classes for children up through 6th grade during each session.
